

Haiti Missions

Summer 2010

Greetings from the Crossroads International Headquarters (i.e. our office);

Thank you so much for your interest in missions. There is so much work to be done around the world and we praise God for your willingness to help out and see His Kingdom grow.

The country of Haiti is only a two hour plane ride from Miami. It is the poorest county in our hemisphere and considered a fifth world country. There is no hope of an agricultural boom in the next ten years. However, there are people who are bringing the hope of Jesus Christ to Haiti. Crossroads Worldwide has the privilege of working with New Missions in Haiti. New Missions has been working in the Leogane Plain of Haiti for the past 24 years. Since its founding, they have started over 20 churches and schools ministering to over 6000 children. In June we will lead a group to Haiti to work in local villages. They we will participate in giving physicals to students, ministering in the vil-lages, and helping to upgrade the different parts of the church and school. You will also have the chance to sponsor a child and meet his or her family. The trip will truly change your perspective of needs in the world.

This packet will tell you the basics about the upcoming mission trip to Haiti in June 2010. Please read over all the information and pray and see if this is something that you feel God is calling you to be a part of. If so, please fill out the application completely with a reference form and send it back to Crossroads Worldwide. If you are chosen to be a part of the team, we will send you a complete packet that has information ranging from packing suggestions to ideas for raising funds. This packet has only basic information that should be helpful as you pray about your involvement in this trip. Again, we praise God for you and look forward to working with you as we share the Good News all across the globe.
